NASA Visitor Center April Special Events

April 3: "Model Rocket Launch"

A model rocket launch will be held at 1 p.m. Models of various rockets will be launched. Model rocketeers are invited to bring their own rockets and launch them. The launch will be canceled if it is raining or winds exceed 18 mph.

April 17: "Kite Flight"

"Kite Flight" is the subject of a 1 p.m. program for children aged 5-10 years. The 40-minute activity will look at the history of flight and give an understanding of the various kinds of flight. The children will be given an opportunity to construct and fly their own kite.

Saturdays and Sundays: "Puppets in Space"

"Puppets in Space", a 10-minute puppet show, will be presented at 11 a.m. on Saturdays and Sundays. Puppet astronauts and Sam the monkey will explore space flight, including the space suit. An eight minute version of the film "Astrosmiles" follows the puppet show.

Daily: "Space Ace"

Children aged 5-10 years old can earn a "Space Ace" certificate and a lithograph during their Visitor Center experience by completing an activity sheet.

Sundays: "Humans in Space"

"Humans in space" is the subject of a 1 p.m. program for children of all ages. The 30-minute program looks at living and working in space, including a review of the astronauts' culinary delights and their wardrobe. The program is followed by a hands-on children's activity during which children have the opportunity to create their own "space helmet."

The Visitor Center, part of the Robert L. Krieger Education Complex, is open Thursday through Monday from 10 a.m. to 4 p.m. and is closed on Tuesday and Wednesday. It is located on Route

175 about six miles from Route 13 and five miles from Chincoteague, VA. Admission to Visitor Center Programs is free. For further information, please call (757) 824-2298.
